Survey Permit No. \_\_\_\_\_

This permit is limited to the performance of surveying operations within state right of way within King, Snohomish, Skagit, Whatcom, San Juan, and Island counties. By endorsement of this permit, the applicant is hereby authorized to enter upon the state right of way to perform surveying operations according to the conditions as provided herein.

**PROVIDED:**

1. This permit shall become null and void December 31, \_\_\_\_\_
2. The applicant agrees to save and hold the State of Washington harmless from any and all causes of action, suits of law or equity, or claim or demands, or from any liability of any nature growing out of the performance of any of the work authorized by this permit.
3. All traffic control established by the applicant shall comply with the most current edition of the "Manual on Uniform Traffic Control Devices for Streets and Highways". The applicant shall submit a traffic control plan for approval to the appropriate office, as listed on the enclosed exhibit, for approval prior to occupation of the state right of way by the applicant.
4. As required by this permit, the applicant will notify the appropriate office, listed on the enclosed exhibit, 24 hours prior to commencement of any survey operations.
5. A copy of this permit must be on the job site and protected from the elements at all times during any of surveying operations within the state right of way.
6. Work shall be restricted to the hours between 9:00 a.m. and 3:00 p.m. and no work shall be allowed on the right of way Saturdays, Sundays or holidays unless authorized in writing.
7. This permit does not authorize work on non-limited access highways within the corporate limits of incorporated cities.
