

SR 167 Master Plan
Planning and Environmental Linkages Study

Attachment A, Appendix B. Maps of Environmental Resources with Final Study Recommendations

Final Study

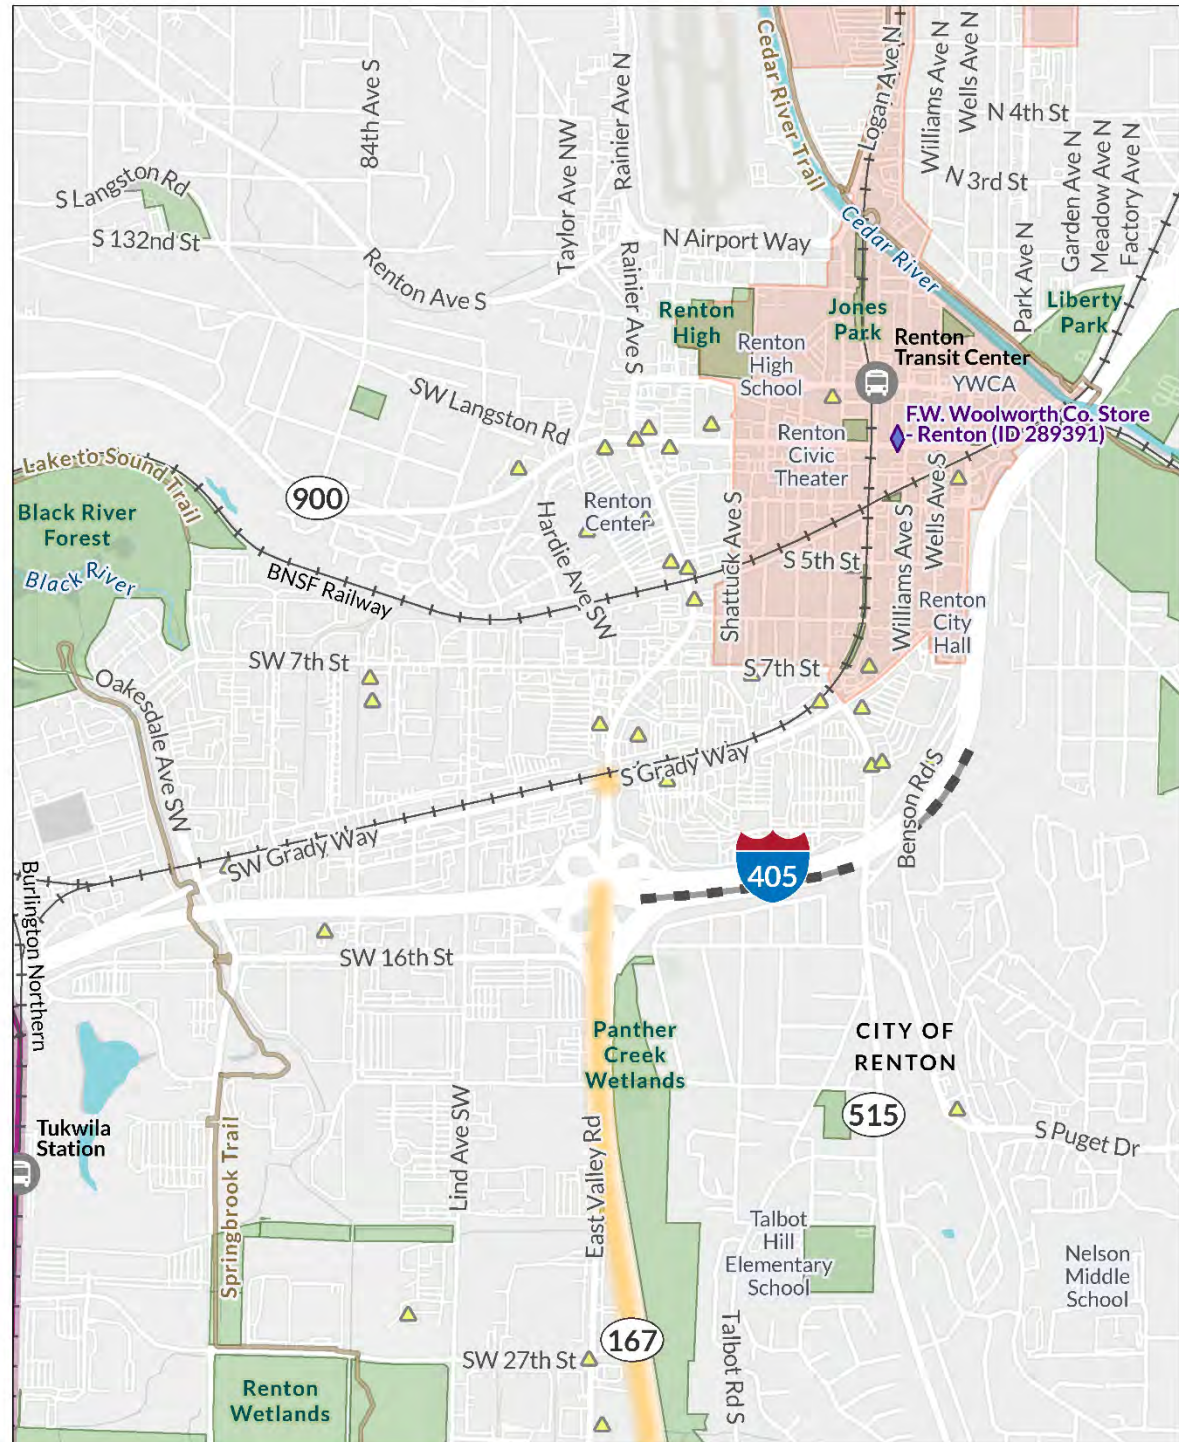

JUNE 2023

Prepared by:
Washington State Department of Transportation

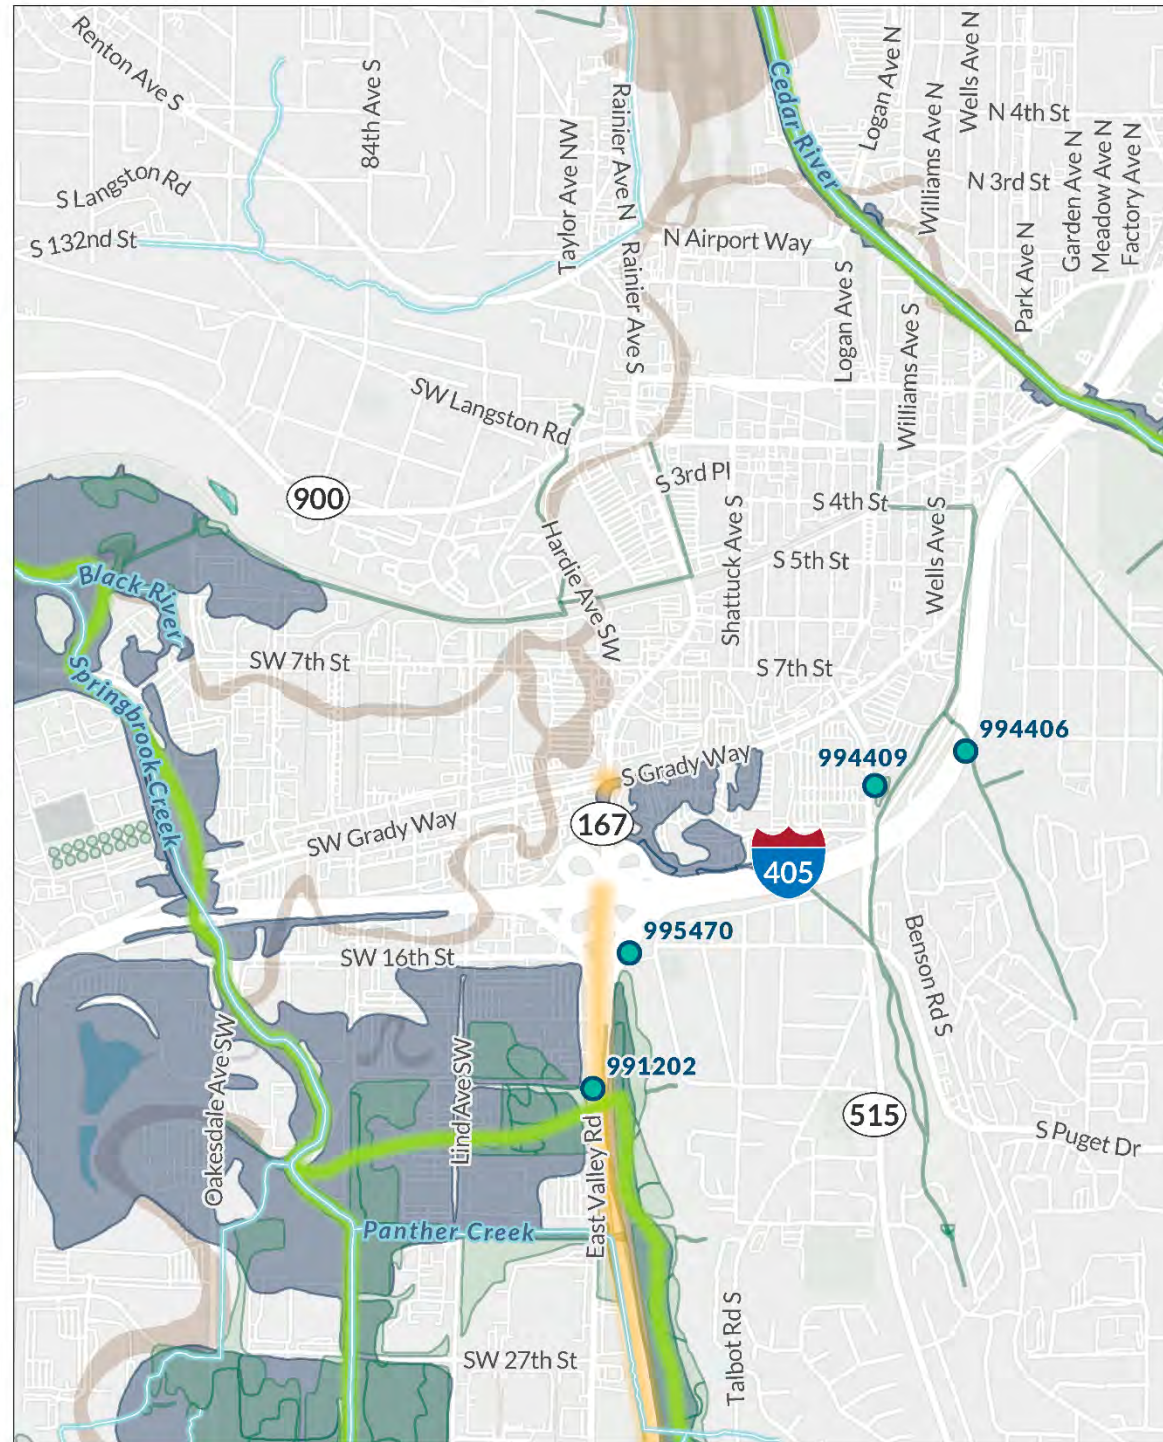

Built Environment Resources Map

Built Resources Map Legend

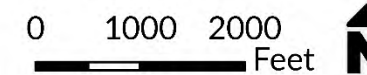

- Resource Listed in NRHP
- Historic Bridge
- Transit Center
- Storage Tank or State Cleanup Site
- RCRA Corrective Action Site
- NPL Superfund Site
- Existing Noise Wall
- Trail
- Railroad
- Sounder and Amtrak Route
- Final Study Recommendation
- Park, Open Space, or Recreation Area
- Regional Growth Center
- Manufacturing Industrial Center

Natural Environment Resources Map

Natural Resources Map Legend

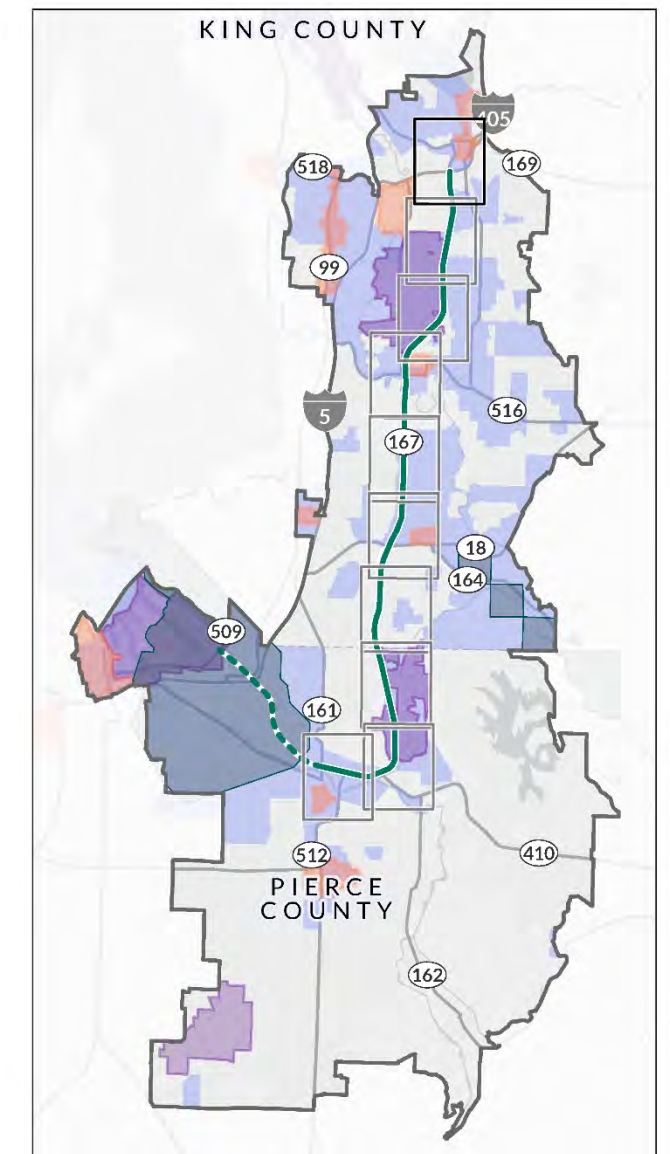

- WSDOT Injunction Barrier
- Stream
- ESA Critical Habitat
- Seismogenic Fault Line
- Wetland
- Special Flood Hazard Area (SFHA)
- Area with High Liquefaction Susceptibility
- Final Study Recommendation

Environmental Resources and Locations of Select Projects in the Final Study Recommendations SR 167 Master Plan PEL Study Appendix B of Attachment A Page 1 of 10

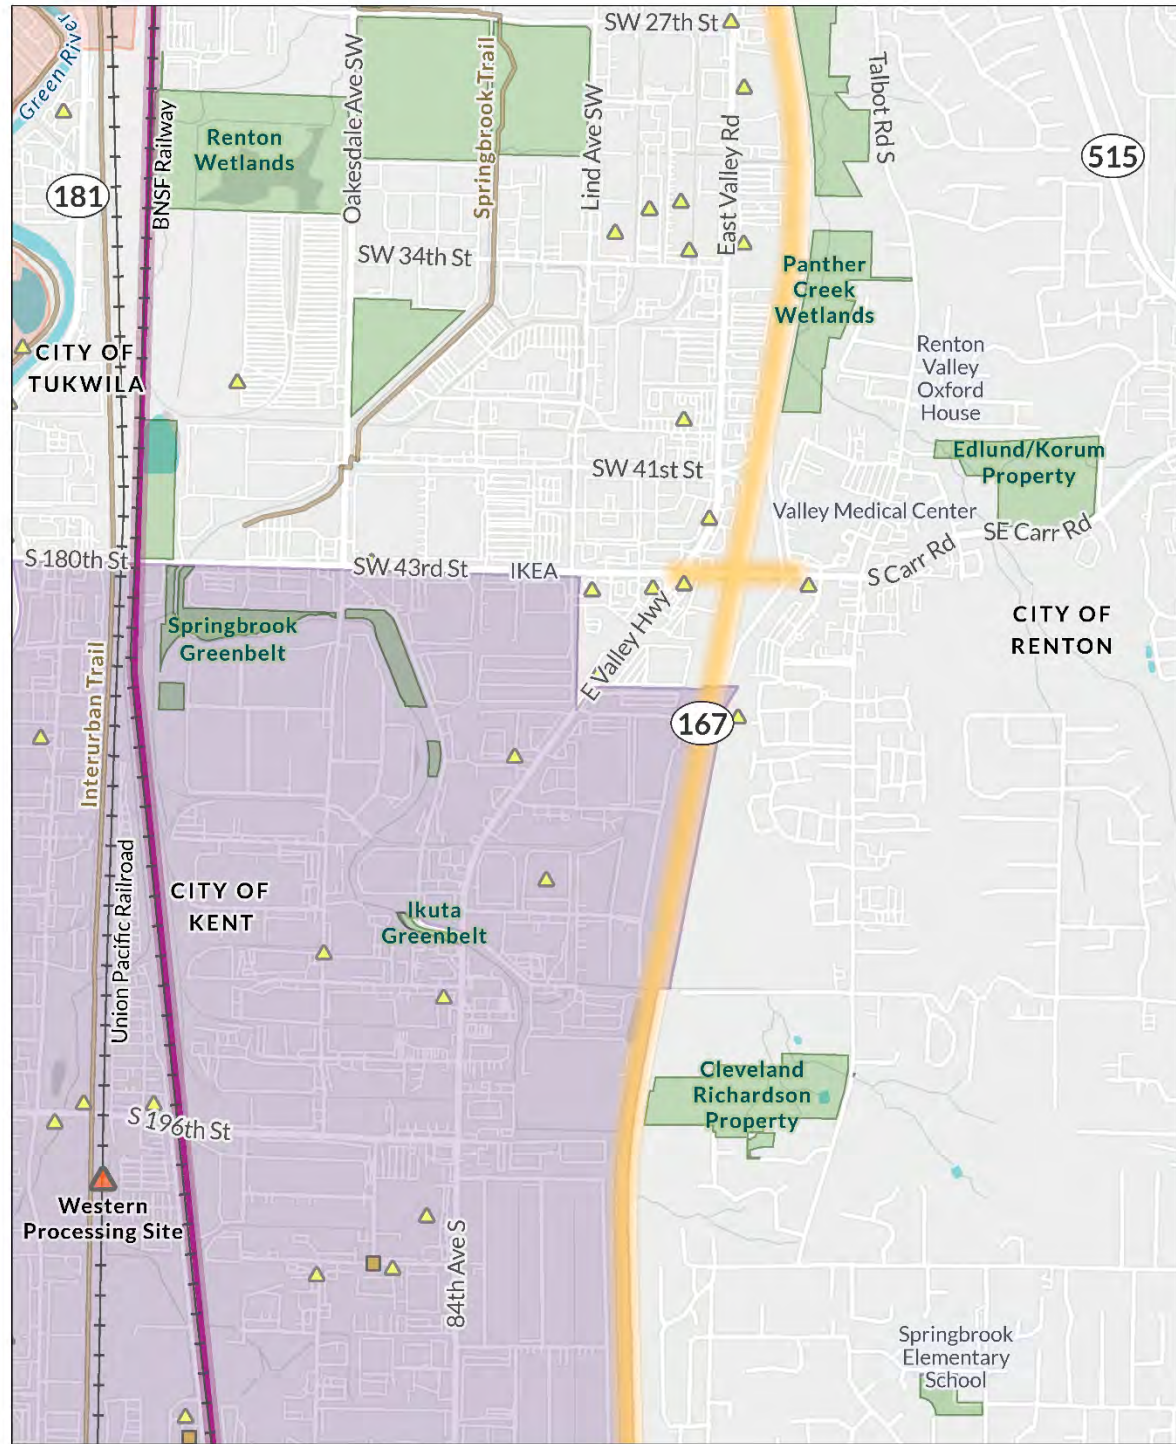

Locator Map Legend

- SR 167
- Future SR 167
- Study Area
- Regional Growth Center
- Manufacturing Industrial Center
- Equity Priority Area
- Tribal Land

Data Sources: Refer to Attachment B, Appendix A.

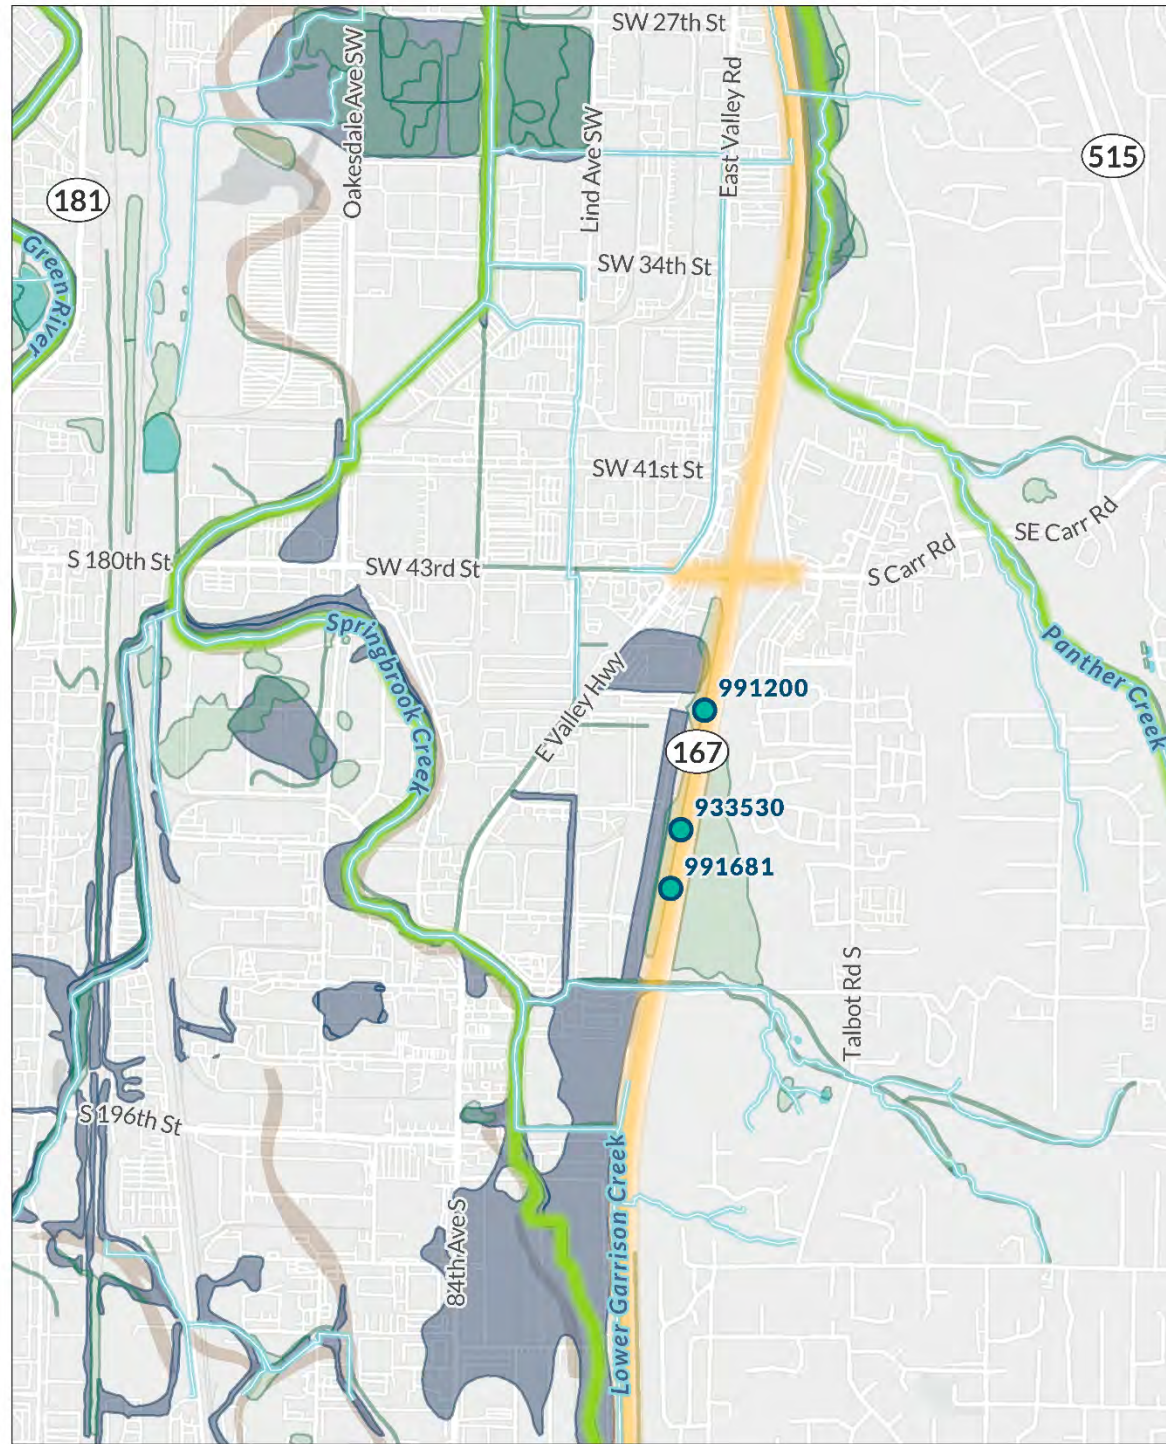

Built Environment Resources Map

Built Resources Map Legend

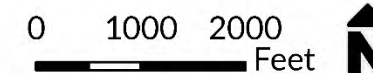

- | | | |
|------------------------------------|-----------------------------|--------------------------------------|
| Resource Listed in NRHP | RCRA Corrective Action Site | Final Study Recommendation |
| Historic Bridge | NPL Superfund Site | Park, Open Space, or Recreation Area |
| Transit Center | Existing Noise Wall | Regional Growth Center |
| Storage Tank or State Cleanup Site | Trail | Manufacturing Industrial Center |
| | Railroad | |
| | Sounder and Amtrak Route | |

Natural Environment Resources Map

Natural Resources Map Legend

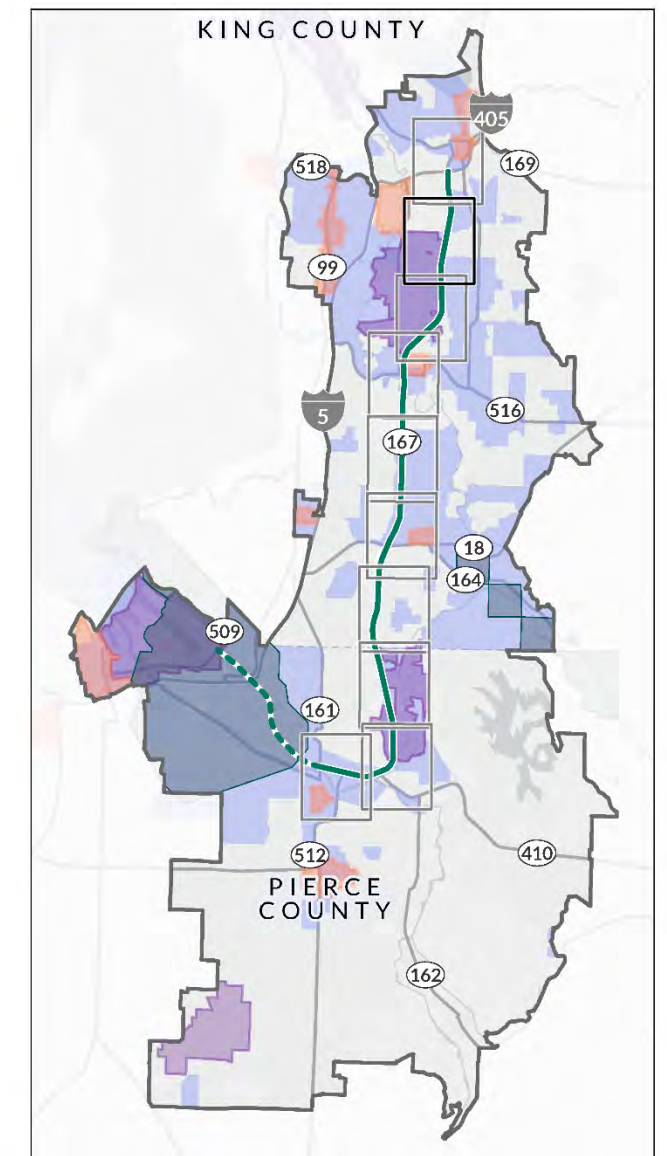

- | | |
|--------------------------|--|
| WSDOT Injunction Barrier | Wetland |
| Stream | Special Flood Hazard Area (SFHA) |
| ESA Critical Habitat | Area with High Liquefaction Susceptibility |
| Seismogenic Fault Line | Final Study Recommendation |

Environmental Resources and Locations of Select Projects in the Final Study Recommendations SR 167 Master Plan PEL Study Appendix B of Attachment A Page 2 of 10

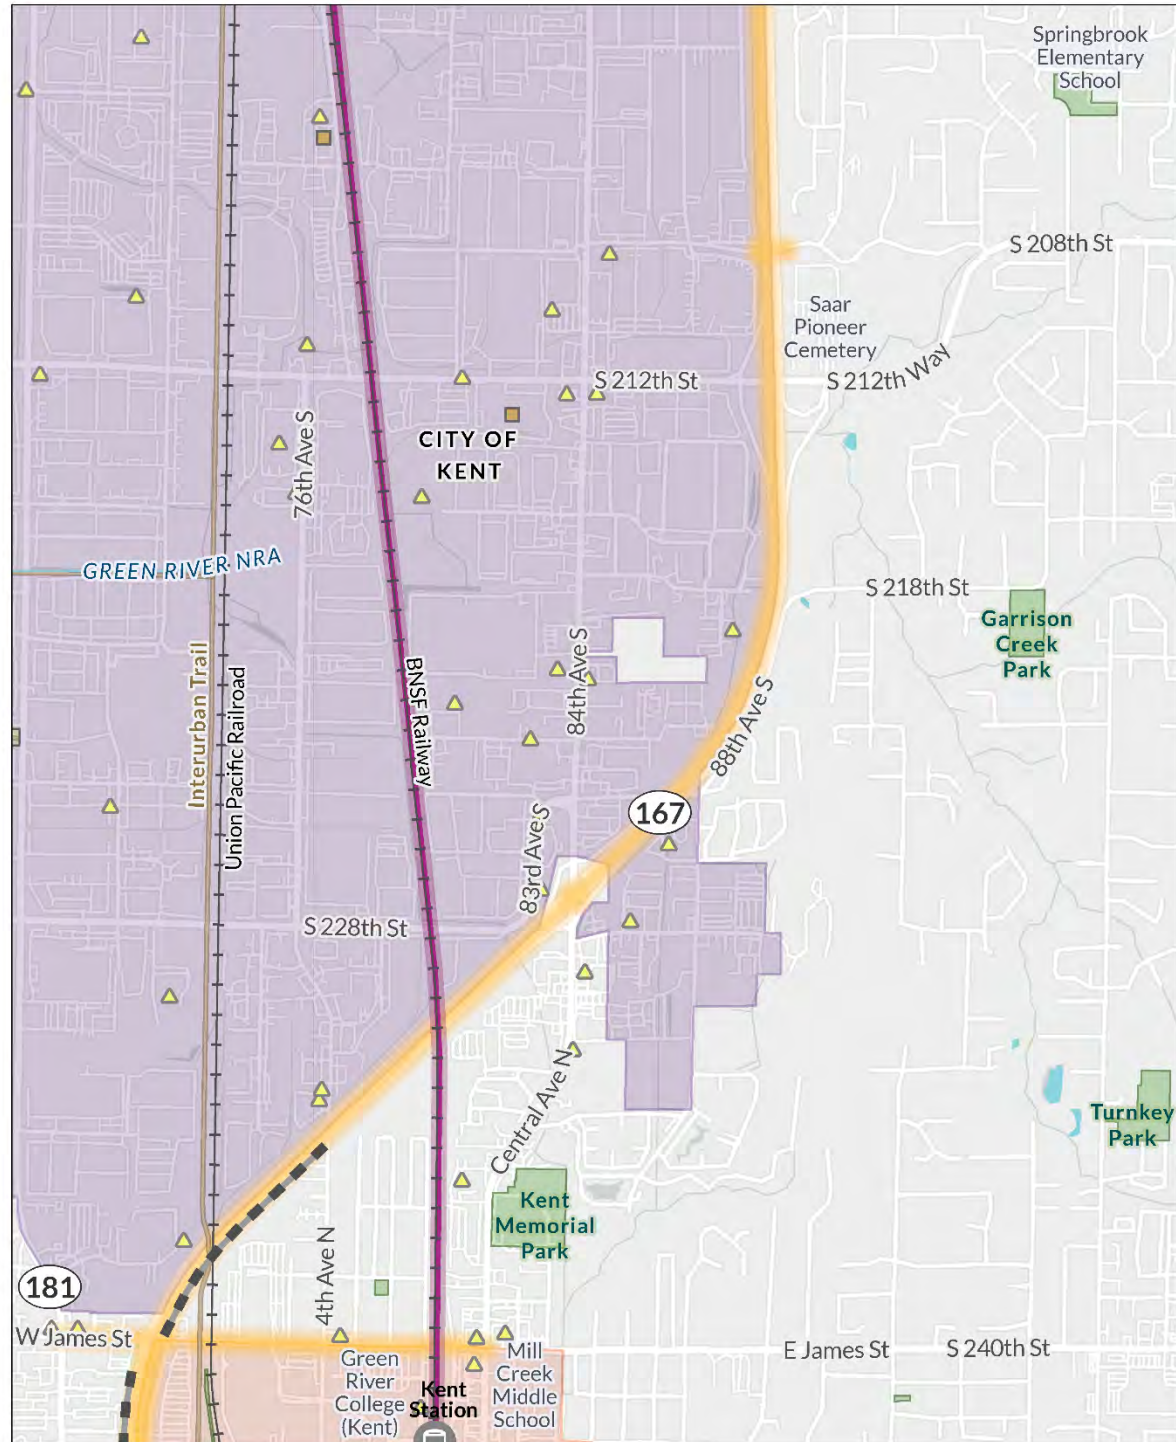

Locator Map Legend

- | | |
|------------------------|---------------------------------|
| SR 167 | Manufacturing Industrial Center |
| Future SR 167 | Equity Priority Area |
| Study Area | Tribal Land |
| Regional Growth Center | |

Data Sources: Refer to Attachment B, Appendix A.
