

To Whom It May Concern:

The 2024 Legislature Conference Budget has been released and the Preservation program received additional funding for the 23-25 biennium. This notice is to inform Contractors of upcoming bidding opportunities for WSDOT Eastern Region contracts included on the “Advanced Schedule of Contracts” list of projects with the following note: *Subject to change. Preservation work contingent on close monitoring of the Highway Preservation program and outcomes from the 2024 Legislative Session.* This note will be removed as these projects are now funded. This notice also serves to provide awareness of anticipated hot mix asphalt designs and approximate asphalt quantities for planning purposes. Ad dates may advance into April, monitor the Advanced Schedule of Contracts for the most up to date Ad dates.
