CONTRACTS

THIS AGREEMENT is made and entered into by and between the Washington State Parks and Recreation Commission, hereinafter referred to as "PARKS," and Washington State Department of Transportation – Bridge & Structures Office hereinafter referred to as the "CONTRACTOR".

IT IS THE PURPOSE OF THIS AGREEMENT to provide the professional expertise that does not exist within the limited staff availability of PARKS and that the CONTRACTOR can perform on a mutually beneficial basis.

THEREFORE, IT IS MUTUALLY AGREED THAT:

STATEMENT OF WORK

The CONTRACTOR shall furnish the necessary personnel, equipment, material, and/or services to repair the Cedar Falls Trestle, according to the drawings attached and made part of this agreement as **Exhibit "A"**.

PERIOD OF PERFORMANCE

Subject to its other provisions, the period of performance of this Agreement shall commence on the date signed by PARKS, and be completed on June 30, 2011, unless terminated sooner as provided herein. Agreement shall automatically expire on June 30, 2011, unless otherwise extended by amendment.

Compensation for the work provided in accordance with this agreement has been established under the terms of RCW 39.34.130. The parties have estimated that the cost of accomplishing the work herein will not exceed **Forty-Three Thousand, One Hundred Sixty-Seven, and No/100ths Dollars (\$43,167.00)**. Payment for satisfactory performance of the work shall not exceed this amount unless the parties mutually agree to a higher amount prior to the commencement of any work which will cause the maximum payment to be exceeded. Compensation for services shall be based on the following rates and in accordance with the following terms, or as set forth in accordance with the budget in **Exhibit "B"** which is attached hereto and incorporated herein.

BILLING PROCEDURE

The CONTRACTOR shall submit invoices no more often than monthly. Payment to the CONTRACTOR for approved and completed work will be made by warrant or account transfer by PARKS within 30 days of receipt of the invoice. Upon expiration of the contract, any claim for payment not already made shall be submitted within 30 days after the expiration date or the end of

the fiscal year, whichever is earlier.

RECORDS MAINTENANCE

The parties to this contract shall each maintain books, records, documents and other evidence which sufficiently and properly reflect all direct and indirect costs expended by either party in the performance of the services described herein. These records shall be subject to inspection, review or audit by personnel of both parties, other personnel duly authorized by either party, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration and the Office of the State Auditor, federal auditors, and any persons duly authorized by the parties shall have full access and the right to examine any of these materials during this period.

Records and other documents, in any medium, furnished by one party to this agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving it a reasonable opportunity to respond. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties.

AGREEMENT ALTERATIONS AND AMENDMENTS

This agreement may be amended by mutual agreement of the parties. Such amendments shall not be binding unless they are in writing and signed by personnel authorized to bind each of the parties.

TERMINATION

Either party may terminate this Agreement upon 30 days' prior written notification to the other party. If this Agreement is so terminated, the parties shall be liable only for performance rendered or costs incurred in accordance with the terms of this Agreement prior to the effective date of termination.

INDEMNIFICATION

Each party shall be responsible for the actions and inactions of itself and its own officers, employees, and agents acting within the scope of their authority.
