SECTION B

DETAILING PROGRESS TOWARD ADOPTING REQUIRED STANDARDS:

Please briefly describe (1) why your jurisdiction has not yet adopted the required access permitting standards for managed access state highways within city boundaries, (2) where your jurisdiction is in the process of adopting the required standards, and (3) what date you anticipate the required standards will be adopted.

We were unaware of this requirement. We have followed the standards because we have sought WSDOT comment and conditions when issuing access permits on State Highways. We believed WSDOT had jurisdiction and not the City of Walla Walla. We are in the process of writing an ordinance and anticipate that it will be adopted by Jan. 31, 2008.
