

FTP SITE FOR MPOs/RTPOs

WSDOT has created a FTP website for sharing large files at:

<ftp://ftp.wsdot.wa.gov/public/RTPO/>. To read files on this site simply click on the above link or type the address into your web browser. To add files or delete files from this site you will need the username and password listed below. To add or delete files on the FTP site, click on the "File" drop-down menu in your browser (Internet Explorer) and choose "Login As" and enter the username and password listed below. Once you are logged-in you can drag and drop files to or from the website.

Username: **wsdot\FTPRTPO**

Password: **ShareIt!**
