WHEREAS, the AGENCY may propose to acquire or to administer the acquisition of real property in connection with public works programs or projects which may necessitate displacement of an individual, a family, business, farm, or nonprofit organization; and

WHEREAS, the DEPARTMENT has an established organization to complete project impact studies and to conduct land acquisition, property management, and relocation assistance programs in compliance with the REGULATIONS and is empowered to provide such services to other governmental agencies pursuant to Chapter 39.34 RCW; and

WHEREAS, the AGENCY, assures the DEPARTMENT that the AGENCY's requests for services under this AGREEMENT will not result from bidding, negotiation, or other competition involving private enterprise; and

WHEREAS, the AGENCY may desire to obtain such services from the DEPARTMENT and the DEPARTMENT is willing to furnish such services to the AGENCY, and both deem it in the interest of the public to enter into this AGREEMENT;

WHEREAS, the actual work to be performed shall be specified in a Task Assignment signed by both parties;

WHEREAS, the AGENCY shall pay for any work identified in a Task Assignment as specified by the terms of the Task Assignment and this AGREEMENT;

NOW, THEREFORE, in consideration of the stated premise and in the interest of providing expedient, fair, equitable, and uniform treatment of landowners and persons to be displaced by proposed land acquisition projects and pursuant to RCW 8.26.095, the parties hereto agree as follows:

**I
GENERAL**

- A. The DEPARTMENT shall, to its maximum ability, provide the AGENCY with impact study, appraisal, appraisal review, acquisition, relocation assistance, or property management services described hereinafter, all in accordance with the appropriate elements of the department's operating requirements set forth in the departmental publication M26-01 (HW), Right of Way Manual, except where specific operating requirements are otherwise described herein. All such requirements shall conform to the REGULATIONS. All work to be performed shall be identified in a Task Assignment signed by both parties.

- B. The normal workload of the department shall have priority over any work performed under this AGREEMENT or any Task Assignment. The work performed under this AGREEMENT and the associated Task Assignments shall be pursued with care and diligence, making every effort to recognize pertinent schedules of the AGENCY. The DEPARTMENT shall promptly notify the AGENCY of any hardship or other inability to perform under this AGREEMENT including postponement of the agency's work due to priority given to the department's work.
- C. This AGREEMENT may be increased or decreased in scope or character of work to be performed if such change becomes necessary, but any such change shall be accomplished by written supplement executed by all parties to said AGREEMENT.
- D. The parties shall agree on a satisfactory completion date for work performed under any Task Assignment ("work completion date"), which shall be specified in the Task Assignment. The AGENCY shall, upon satisfactory completion of work performed pursuant to a Task Assignment, issue a letter of acceptance that shall include a release and waiver of all future claims or demands of any nature resulting from the performance of the work under the Task Assignment. If the DEPARTMENT does not receive a letter of acceptance within 90 days following the work completion date, the work will be considered accepted by the AGENCY. The AGENCY may withhold acceptance of work by submitting written notification to the DEPARTMENT within a 90-day period. This notification shall include the reasons for withholding acceptance.

II WORK ASSIGNMENT/REQUEST

- A. Specific assignments shall be made in the form of a written Task Assignment to the DEPARTMENT by the AGENCY and signed by both parties. Each Task Assignment shall contain an agreed upon budget and schedule for all services to be rendered. AGENCY approval is required for budget and schedule changes. The agreed upon budget will include estimated DEPARTMENT staff and related costs in addition to applicable acquisition/relocation cost estimates. The AGENCY shall make such assignments before any negotiations for property acquisition and before any discussion of price with the property owner, when required by the REGULATIONS.
- B. The AGENCY shall furnish the DEPARTMENT with all information that has been compiled by or is available to the AGENCY concerning the property to be affected by each particular project. Such information shall include, but not be limited to, copies of approved right of way plan sheets showing limits of parcels, rights to be acquired, and sufficient engineering data to develop legal descriptions; a list identifying each property affected by the project by parcel number; a tabulation of improvements on each property; the geographical location and boundaries of each property; and a description of how the project affects each property.
- C. The DEPARTMENT shall furnish all labor, materials, supplies, and incidentals necessary to complete the work assigned by the AGENCY and shall furnish all information necessary to the conduct of a land acquisition program.
- D. The DEPARTMENT will at its discretion and upon written request from the AGENCY furnish the following as required:

Impact Studies: Impact studies shall be made and reported in written narrative addressing potential influences by a program or project on land economics or land use factors, displacement/relocation factors, acquisition costs, and relocation plans, as requested.

Appraisal: Property shall be evaluated and value conclusions reported to conform with departmental operating requirements. Any request by the AGENCY for court preparation and testimony will be a separate Task Assignment under this AGREEMENT and shall be submitted to the DEPARTMENT in a timely manner to provide not less than ninety (90) days notice in advance of any expected court appearance.

Appraisal Review: Appraisal reports shall be reviewed to conform with departmental operating requirements for validity of value conclusions provided such reports are accompanied by a copy of the appraiser's contract and provided that the AGENCY (or its agent) has determined that such reports appear to comply with the agency's procedural requirements and include adequate description of the property appraised and the interest to be acquired and appear to include adequate data supporting said conclusions. The AGENCY shall be responsible for obtaining any necessary replacements for unacceptable appraisal reports or for obtaining any substantive revisions of inadequate reports where such reports were furnished to the DEPARTMENT by the AGENCY.

Acquisition: Every reasonable effort will be made to acquire real property by negotiations in accordance with the REGULATIONS and the AGENCY's condemnation authority, including the AGENCY's authority to acquire limited access where applicable. The DEPARTMENT shall attempt to acquire all property within the project limits without commencing condemnation proceedings. A written offer will be presented to each owner at the time price is first discussed for the property. The offer will be documented and retained as part of the parcel file. Individual parcel diaries will be maintained containing adequate written records of the negotiations including, but not limited to, the following:

1. Date and place of contacts;
2. Persons present;
3. Offers made (actual dollar amount);
4. Counter offers made;
5. Reasons settlement could not be reached (if appropriate).

Each request by the AGENCY shall specify the name of the grantee in whose name the property is to be conveyed. The DEPARTMENT shall provide the AGENCY with deeds to all property acquired and, wherever possible, instruments to clear encumbrances of title from those deeds. The DEPARTMENT will provide information leading to clearing of encumbrances that the DEPARTMENT cannot clear without legal action. Upon completion of a review of each acquisition by the DEPARTMENT's Title Section, all instruments and materials pertaining thereto will be provided to the AGENCY. Clearing remaining encumbrances of title and making the actual payment for the property shall be the responsibility of the AGENCY. Should it become apparent that negotiations for attempted acquisition have reached an impasse and sufficient time has elapsed for a property owner to make a decision, the DEPARTMENT will, either at its discretion or upon written request by the AGENCY, submit to the AGENCY a condemnation report that will contain a summary of negotiations, amounts of counter offers, if any, and other historic data relative to such attempted acquisition. The actual filing of condemnation and subsequent litigation shall be the responsibility of the AGENCY.

Relocation Assistance: Relocation assistance services shall be provided to conform with departmental operating requirements. All relocation payment claims presented by displacees will be processed by the DEPARTMENT, but the actual disbursement of monies shall be made by the AGENCY. As may be requested by the AGENCY, the DEPARTMENT may assist the AGENCY, on a case by case basis, with an appeal as to relocation assistance benefits filed by an aggrieved displacee. However, the AGENCY shall remain responsible for any appointment of a hearing officer, conducting hearings, maintaining records thereof, and rendering the final decision of the AGENCY.

Property Management: Effective management of agency- controlled properties will be provided in the name of the AGENCY in conformity with departmental operating requirements.

- E. At the completion of the Task Assignment, the DEPARTMENT will turn over to the AGENCY all records including appraisal and appraisal review reports, acquisition, relocation assistance, and property management records pertinent to the work performed by the DEPARTMENT.

III

PAYMENT

The DEPARTMENT shall be paid by the AGENCY for completed work and for services rendered under this AGREEMENT and associated Task Assignments as provided hereinafter. Such payment shall be full compensation for work performed or services rendered and for all labor, materials, supplies, and incidentals necessary to complete the work. The DEPARTMENT acknowledges and agrees that only those costs actually allocable to a project shall be charged to such project.

- A. The DEPARTMENT shall be reimbursed in full by the AGENCY for its direct and related indirect costs accumulated in accordance with its current accounting procedures.
- B. Partial payments will be made by the AGENCY within 30 days of receipt of the billings from the DEPARTMENT. Billings will not be more frequent than one per month. It is agreed that payment of any particular claim will not constitute agreement as to the appropriateness of any item and that at the time of final billing all required adjustments will be made.
- C. Upon termination of this AGREEMENT as provided in Section VI, the DEPARTMENT shall be paid by the AGENCY for services rendered to the effective date of termination less all payments previously made. No payment shall be made by the AGENCY for any expense incurred or work done following the effective date of termination unless authorized, in writing, by the AGENCY.

- D. Final payment of any balance due the DEPARTMENT of the ultimate gross reimbursable amount, prior to the effective date of termination, will be made upon ascertainment of such balance by the DEPARTMENT and certification thereof to the AGENCY.
