

# Alaskan Way Viaduct REPLACEMENT PROGRAM

## Available truck routes during upcoming SR 99 closure

April 2016

The Alaskan Way Viaduct will close for approximately two weeks starting Friday, April 29 to allow Bertha, the SR 99 tunneling machine, to tunnel beneath the viaduct near Yesler Way. WSDOT recognizes that closing a major highway will have regional traffic impacts, and is coordinating closely with SDOT and other partner agencies to keep traffic moving. More information about these efforts is posted at [www.99closure.org](http://www.99closure.org).

Learn more about the closure at: [www.99closure.org](http://www.99closure.org) | Call the program hotline at: 1-888-AWV-LINE (298-5463)
