Understanding the program's cost and funding

As part of the Alaskan Way Viaduct Replacement Program, King County, the City of Seattle and the Port of Seattle are planning street, transit, seawall and waterfront improvements. Each jurisdiction is responsible for their own projects' management, environmental work, design and construction.

Program budget summary (\$ in millions)

State projects	Project status	Budget
SR 99 Tunnel Project (Includes design-build project, north and south access contracts, and new north surface street connections.)	Construction	\$2,034.4
SR 99 South Holgate Street to South King Street Project (south-end viaduct replacement)	Construction	\$377.0
Central Waterfront Viaduct Removal, New Alaskan Way with connections to Elliott and Western avenues and the Battery Street Tunnel decommissioning	Planning	\$290.0
Central Waterfront Construction Mitigation	Ongoing	\$30.0
Other Moving Forward Projects: <ul style="list-style-type: none"> • Column safety repairs • Electrical line relocation • Battery Street Tunnel repairs • Construction mitigation for the south end viaduct replacement 	Complete Complete Ongoing Ongoing	\$174.3
Program Management		\$75.0
Prior Environmental Impact Statements, Right of Way and Design Costs		\$163.7
Total Use of Funds		\$3,144.4

State funding	
2005 Gas Tax (Partnership Funding)	\$1,505.7
2003 Gas Tax (Nickel Funding)	\$224.1
Other State	\$174.0
Federal	\$702.4
Local	\$57.2
Toll	\$200.0*
Port of Seattle	\$281.0**
Total Source of Funds	\$3,144.4

*The 2009 Legislature stated the finance plan must include no more than \$400 million in toll funding. The budget amount was revised to \$200 million during the 2012 legislative session, and an additional \$200 million in Federal funds was provided to the program.

** The Port of Seattle has committed \$300 million to the replacement program. Governor Gregoire signed an agreement with the Port in April 2010 for this funding. To date, \$19 million of the Port's contribution has been used for program-related work.

City of Seattle projects	Project status	Project budget	Budget - Viaduct program portion	Funding sources
Elliott Bay Seawall Project	Design	\$300	\$300	Commercial Parking Tax, King County, and potential bond measure
Mercer Corridor Project				
• Mercer East	Construction	\$162	\$50	Fully funded – federal, state and local sources
• Mercer West	Design	\$98	\$98	Fully funded – federal, state and local sources
South Spokane Street Viaduct Widening Project	Construction	\$162*	\$30	Fully funded – federal, state and local sources
Central Waterfront Public Spaces and Streets	Design	\$480	\$480	Potential Local Improvement District, private sources and other city funding sources
Public Utility Relocations	Design/ Construction	\$226	\$226	Seattle Public Utility and Seattle City Light ratepayers
Total		\$1,428	\$1,184
