

These contracts are planned for advertisement by the Washington State Department of Transportation for January 1, 2019 through December 31, 2019. Please note the advertisement dates are tentative and some information may change after this report is issued. Projects are dependent on funding availability. For current information, please visit the Contract Ad and Award website at <http://www.wsdot.wa.gov/biz/contaa/>

Only one state route is displayed per project. Some types of projects, e.g., chip seals, bridge painters, seismic retrofits, electrical updates, and guardrail updates, may involve regionwide work.

*** This Connecting Washington project is subject to Section 606 reporting requirements.**

ESB 5096, Section 606 requires that:

- (1) By November 15, 2017, and annually thereafter, the Department of Transportation must report on amounts expended to benefit transit, bicycle, or pedestrian elements within all Connecting Washington projects in programs I, P, and Z identified in LEAP Transportation Document 2017-2 ALL PROJECTS as developed April 20, 2017. The report must address each modal category separately and identify if eighteenth amendment protected funds have been used and, if not, the source of funding.
- (2) To facilitate the report in subsection (1) of this section, the Department of Transportation must require that all bids on Connecting Washington projects include an estimate on the cost to implement any transit, bicycle, or pedestrian project elements.

*When Contracting method is "Design Build" the advertisement date represents the Request For Qualifications (RFQ) date
