

WSDOT Approved Regular Dealers

Code of Federal Regulations defines requirements for “Regular Dealer” in [Chapter 49 Part 26.55\(e\)\(2\)](#). Please contact WSDOT Office of Equal opportunity (OEO) for information pertaining to the Regular Dealer requirements.

To be approved as a Regular Dealer for a contract you must complete the [UDBE/DBE Regular Dealer Equipment and Supply Certification](#) form, and send no later than five (5) calendar days prior to bid opening for each Federal aid and/or Condition of Award project you wish to participate as a Regular Dealer.

Regular Dealer approval is done on a per contract basis and in accordance with the items specifically called for in the contract. All DBE/UDBE firms to be counted as a Regular Dealer will have a review performed to ensure that the firm can provide those contract items prior to being approved.

Contact WSDOT - Office of Equal Opportunity - Disadvantaged Business Enterprise Program at 360-705-7090 or CRP@wsdot.wa.gov

***Note: Once the project has been awarded and executed, the project will be removed from the list below with the exception of Design Build projects.**
