

Whatcom and Skagit Counties: Fish Passage 2030 Delivery Plan

This plan achieves restoring access to 90% of blocked habitat as specified in the injunction by 2030 and includes some newly identified fish barriers as well as fish barriers corrected by larger transportation projects.

This plan is subject to change due to significant project issues and/or new information. If you have questions about this document, and/or prior to making plans based on this document, please contact: Kim Rydholm (Mueller), Fish Passage Delivery Manager (kim.rydholm@wsdot.wa.gov) or Susan Kanzler, Stream Restoration Program Manager (susan.kanzler@wsdot.wa.gov)

- Under Construction Contract Within 23-25 (48)
- Barrier Design Initiated Within 25-27 (18)
