

Heard the latest?

Join us at open houses on June 24 and 25 to learn about progress toward building a new SR 520.

Project team members, and agency and community representatives will answer your questions and share the latest project information on:

- Opening the new bridge in 2014.
- Designing the new corridor.
- Commuting across Lake Washington.

Your involvement helps us reach our goal of starting construction in 2012. We look forward to discussing the project with you.
