Mr. David Schumacher, Director  
Office of Financial Management  
PO Box 43113  
Olympia, WA 98504-3113

Dear Mr. Schumacher:

Enclosed is the 2015 supplemental budget request for the Department of Transportation (WSDOT). We understand that every agency must do its part to provide the most efficient and effective service with limited resources. The department is again prioritizing its spending for the 2013-15 biennium to request funding for only non-discretionary items. Later this fall, we will submit our suggested budget proviso language changes to correspond with the development of the Governor's budget.

We look forward to working with you and your staff as you develop WSDOT's second supplemental budget. Our budget office is available to assist in the event you have any questions. Please contact Doug Vaughn, Budget Director, at 360-705-7500 for any further information.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Lynn Peterson', with a long horizontal flourish extending to the right.

Lynn Peterson  
Secretary of Transportation
