

To Whom It May Concern:

Bidders List

Under 49 CFR 26.11 WSDOT is required to maintain a bidders list. The regulation allows the agency different options to collect information such as:

Firm name;
Firm address;
Firm's status as a DBE or non-DBE;
Age of the firm; and

The annual gross receipts of the firm. The regulation requires that WSDOT ask each firm to indicate into what gross receipts bracket they fit (e.g., less than \$500,000; \$500,000-\$1 million; \$1-2 million; \$2-5 million; etc.) rather than requesting an exact figure from the firm.

This methodology of collecting the required information is the least invasive to the primes and subs and less burdensome to the agency in collecting the information.
