**3. PAYMENT**

- 3.1 The Utility agrees that it shall be responsible for the actual direct and related indirect costs, including mobilization, construction engineering, contract administration and overhead costs, associated with the Work. An itemized estimate of Utility-responsible costs for Work to be performed by WSDOT on behalf of the Utility is included in Exhibit B, Cost Estimate.
- 3.2 The Utility agrees to pay WSDOT the "Advance Payment Amount" stated above within twenty (20) calendar days after WSDOT submits its first partial payment request to the Utility. The advance payment represents fifteen (15) percent of the estimate of cost for which the Utility is responsible. The advance payment will be carried throughout the life of the Work with final adjustment made in the final invoice
- 3.3 The Parties acknowledge and agree that WSDOT does not have the legal authority to advance state funds for the Utility's Work under this Agreement. Should the Utility fail to make payment according to the terms of this Agreement, WSDOT shall have the right to terminate this Agreement, charging the Utility for all associated costs of termination, including non-cancellable items, as well as associated Project delay and contractor claims. Such termination shall not relieve the Utility's obligation to timely relocate its facilities as provided under section 1.6.2
- 3.4 The Utility, in consideration of the faithful performance of the Work to be done by WSDOT, agrees to pay WSDOT for the actual direct and related indirect cost of all Work for which the Utility is responsible, including mobilization, construction engineering, administration and overhead costs. WSDOT shall invoice the Utility and provide supporting documentation therefore, and the Utility agrees to pay WSDOT within thirty (30) calendar days of receipt of an invoice. A partial payment will not constitute agreement as to the appropriateness of any item and that, at the time of final invoice, the Parties will resolve any discrepancies.

**4. CHANGE IN WORK OR COST INCREASE**

- 4.1 Increase in Cost: In the event unforeseen conditions require an increase in the cost of the Work for which the Utility is responsible, above the Exhibit B, Cost Estimate (including sales tax, engineering, and contingencies) by more than \_\_\_\_\_ (\_\_\_\_\_) percent, the Parties agree to modify Exhibit B to include such cost increase.

- 4.2 If WSDOT determines that additional Work or a change in the Work is required, prior written approval must be secured from the Utility; however, where the change is required to mitigate a Project emergency or safety threat to the traveling public, WSDOT will direct the change without the Utility's prior approval. WSDOT will notify the Utility of such change as soon as possible thereafter. The Utility agrees to respond to all WSDOT change order requests in writing and within five (5) working days. WSDOT notification shall not be required for Utility-requested changes. The Utility agrees to pay all costs associated with the changed Work, as well as the costs of Project or Work delays and/or subsequent contractor claims associated with the Utility's failure to timely respond as required.
- 4.3 The Utility may request additions to the Work through WSDOT in writing. WSDOT will implement the requested changes as elective changes, provided that a change does not negatively impact WSDOT's transportation system and complies with the Standard Specifications, Project permits, state and/or federal law, applicable rules and/or regulations, and/or WSDOT design policies, and does not unreasonably delay critically scheduled Project contract activities.
- 4.4 All elective changes to the Work shall be approved in writing by the Utility before WSDOT directs the contractor to implement the changes, even if an executed change order is not required by the Project contract. The Utility agrees to pay for the increases in cost, if any, for such elective changes in accordance with Section 3.
- 4.5 WSDOT will make available to the Utility all change order documentation related to the Work.

## **5. FRANCHISE OR PERMIT**

- 5.1 After execution of this agreement, WSDOT will notify the Utility to apply for a permit, franchise, or an amendment to its current franchise, upon which the Utility shall apply for a permit, franchise, or an amendment to its current franchise for those modified Utility facilities that will be located within WSDOT's right of way. After receiving the application, WSDOT will issue the Utility a permit, franchise, or a new or amended franchise.

## **6. RIGHT OF ENTRY**

- 6.1 The Utility agrees to arrange for rights of entry upon all privately owned lands upon which the Utility has a claimed property right and which are necessary to perform the Work. The Utility also agrees to obtain all necessary permissions for WSDOT to perform the Work on such lands, which may include reasonable use restrictions on those lands. The Utility agrees to provide the rights of entry and applicable permissions under this section to WSDOT within \_\_\_\_\_ (\_\_\_\_\_) calendar days of entering into this Agreement. Upon completion of the Work on such lands, the rights of entry and permissions shall terminate.

## **7. TERMINATION**

- 7.1 This Agreement may be terminated for cause by either Party if the other Party does not fulfill in a timely and proper manner its obligations under this Agreement, or if the other Party violates any of the terms and conditions of this Agreement. The notice of intent to terminate for cause shall be issued by a Party in writing and the other Party shall have the opportunity to correct the violation or failure within fifteen working days of the date of the notice. If the failure or violation is not corrected within the time allowed, this Agreement will automatically terminate.
- 7.2 This Agreement may be terminated by WSDOT in the event that WSDOT's authority to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this Agreement. The notice of intent to terminate for withdrawal of authority shall be issued by WSDOT in writing no less than ten working days in advance of termination. No penalty shall accrue to WSDOT in the event termination under this section is exercised.
- 7.3 If this Agreement is terminated prior to the fulfillment of the terms stated herein, the Utility agrees to reimburse WSDOT for the actual direct and related indirect expenses and costs it has incurred up to the date of termination, as well as the costs of non-cancelable obligations.
- 7.4 Any termination of this Agreement shall not prejudice any rights or obligations accrued to the Parties prior to termination.

7.5 The Utility acknowledges and agrees that any Agreement termination shall not relieve the Utility from its responsibility to design, remove, relocate and/or construct its facilities so as not to delay or conflict with WSDOT's Project.

## 8. GENERAL PROVISIONS

### 8.1 Indemnification:

8.1.1 To the fullest extent permitted by law, each Party to this Agreement will protect, defend, indemnify, and save harmless the other Party, its officers, officials, employees, and agents, while acting within the scope of their employment as such, from any and all costs, claims, judgments, and/or awards of damages (both to persons and property), arising out of, or in any way resulting from, each Party's negligent acts or omissions with respect to the provisions of this Agreement. Neither Party will be required to indemnify, defend, or save harmless the other Party if the claim, suit, or action for injuries, death, or damages (both to persons and property) is caused by the sole negligence of the other Party. Where such claims, suits, or actions result from the concurrent negligence of the Parties, their agents, officials, or employees, and/or involve those actions covered by RCW 4.24.115, the indemnity provisions provided herein will be valid and enforceable only to the extent of the negligence of the indemnifying Party, its agents, officials, or employees.

8.1.2 The Parties agree that their obligations under this section extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of their officers, officials, employees, or agents. For this purpose only, the Parties, by mutual negotiation, hereby waive, with respect to each other only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW.

8.1.3 This indemnification and waiver will survive the termination of this Agreement.

8.2 Disputes: The Parties shall work collaboratively to resolve disputes and issues arising out of, or related to, this Agreement. Disagreements shall be resolved promptly and at the lowest level of hierarchy. To this end, following the dispute resolution process shown below shall be a prerequisite to the filing of litigation concerning any dispute between the Parties:

8.2.1 The representative, as shown herein designated in this Agreement shall use their best efforts to resolve disputes and issues arising out of or related to this Agreement. The representatives shall communicate regularly to discuss the status of the tasks to be performed hereunder and to resolve any disputes or issues related to the successful performance of this Agreement. The representatives shall cooperate in providing staff support to facilitate the performance of this Agreement and the resolution of any disputes or issues arising during the term of this Agreement.

8.2.2 A Party's representative shall notify the other Party in writing of any dispute or issue that the representative believes may require formal resolution according to this Section. The representatives shall meet within five (5) working days of receiving the written notice and attempt to resolve the dispute.

8.2.3 In the event the representatives cannot resolve the dispute or issue, the entity, and WSDOT's Region Administrator, or their respective designees, shall meet and engage in good faith negotiations to resolve the dispute.

8.2.4 In the event the entity and WSDOT's Region Administrator, or their respective designees, cannot resolve the dispute or issue, the entity and WSDOT shall each appoint a member to a Dispute Board. These two members shall then select a third member not affiliated with either Party. The three-member board shall conduct a dispute resolution hearing that shall be informal and unrecorded. All expenses for the third member of the Dispute Board shall be shared equally by both Parties; however, each Party shall be responsible for its own costs and fees.

### 8.3 Insurance:

- 8.3.1 The Utility warrants that it is self-insured pursuant to a self-insurance “risk pool” duly authorized by the State of Washington and agrees to provide acceptable evidence of its self-insured status to WSDOT. XXXX self-insurance risk pool insurance policy must provide liability coverage for its operations under this Agreement, including (i) general liability coverage for bodily injury, property damage, and personal injury of not less than two million dollars (\$2,000,000) combined single limit per occurrence, with a general aggregate amount of not less than five million dollars (\$5,000,000) per policy period; coverage under policies shall be triggered on an “occurrence basis,” not on a “claims made” basis; and (ii) commercial automobile liability coverage providing bodily injury and property damage liability coverage for all owned and non-owned vehicles assigned to or used in the performance of the operations under this Agreement, with a combined single limit of not less than one million dollars (\$1,000,000) per occurrence. WSDOT shall be named as an additional insured by endorsement of the commercial general liability coverage provided under the “risk pool” coverage, utilizing ISO Form 2026 (Additional Insured – Designated Person or Organization) or its equivalent without modification. Coverage obtained by County in compliance with the Section shall not be deemed as having relieved County of any liability in excess of such coverage.
- 8.3.2 In the event the Utility is not a party to a state approved self-insurance “risk pool”, it shall secure insurance coverage in conformance with the requirements of this Section 8.3.2 and promptly provide a certificate of insurance from an insurer licensed to conduct business in the State of Washington, evidencing the procurement of the required insurance coverages. WSDOT shall be named as an additional insured by endorsement of the liability policy required, utilizing ISO Form 2026 (Additional Insured – Designated Person or Organization) or its equivalent without modification on any such general liability policies.

- 8.8 All Writings Contained Herein: This Agreement contains all the terms and conditions agreed upon by the Parties. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind the Parties.

Further, the Parties agree that each shall be responsible for its own attorneys’ fees and costs.
- 8.10 Working days: Working days for this Agreement are defined as Monday through Friday, excluding Washington State holidays per RCW 1.16.050.
- 8.11 Audit and Records: During the progress of the Work and for a period of not less than six years from the date of final payment. The requesting Party shall pay the cost of copies produced. If any litigation, claim, or audit is commenced, the records and accounts along with supporting documentation shall be retained until any litigation, claim or audit finding has been resolved even though such litigation, claim or audit continues past the six-year retention period.
