

FA # _____ **LOCAL AGENCY** _____

PROJECT NAME _____

BIDDER: _____

Bidders must list on this Subcontractor Form any Subcontractor(s) with whom the bidder will directly subcontract that are proposed to perform the work of structural steel installation, rebar installation, heating, ventilation and air conditioning, plumbing, as described in Chapter 18.106 RCW, and electrical, as described in Chapter 19.28 RCW or indicate when the Prime Contractor chooses to self-perform any of the work described herein.

Failure to list subcontractors with whom the bidder, if awarded the contract, will directly subcontract for performance of the work or naming more than one contractor to perform the same work will result in your bid being non-responsive.

Bidders are notified that it is the opinion of the contracting agency that PVC or metal conduit, junction boxes, etc, are considered electrical work. **For Federal Aid Projects, bidders are not required to submit proof of license at the time of bid.**

Trade	You must select one box for each trade.
Heating, Ventilation & Air Conditioning (HVAC)	☐ Name of Sub: _____ ☐ N/A (this project does not include this work) ☐ Bidder will self-perform this work
