APPENDIX 1

Use when only one appendix is included in the Contract.
If 1-02.4(1).OPT1.FR1 is used, then the Summary of Geotechnical Conditions Report must be an appendix as required in Section 1-02.4(2) of the Standard Specifications.

APPENDIX 2

Must be used when multiple appendices are included in the Contract.
If 1-02.4(1).OPT1.FR1 is used, then the Summary of Geotechnical Conditions Report is an appendix as required in Section 1-02.4(2) and must be included as an appendix and is part of the fill-in.

STDPLANS

Use in all projects.
