

Foreword

Washington State Maintenance Operations personnel work through many challenges in maintaining the state highway system, including; increasing growth in population and vehicles, and extreme weather patterns that can bring wind, rain, snow, and ice. Providing for safe movement on our highway system while performing a variety of maintenance activities in a safe manner is a priority for our Maintenance Operations family. Through the use of tools, technology, techniques and talent; you, the maintenance professional take on these challenges and deliver through it all.
