

# SR 167 Completion Project

The SR 167 Completion project is a critical missing link in the state's highway network. Its completion will improve safety and reduce congestion for freight and traffic along local roads and freeways in the surrounding area.

Key features:

- Two lanes in each direction from N Meridian in Puyallup to I-5
- Interchanges at Meridian, Valley, I-5 and 54th and a connection to SR 509 at the Port of Tacoma
- Improves access to and from the Port of Tacoma
