Code of Federal Regulations defines requirements for “Regular Dealer” in [Chapter 49 Part 26.55\(e\)\(2\)](#). Please contact WSDOT Office of Equal opportunity (OEO) for information pertaining to the Regular Dealer requirements.

To be approved as a Regular Dealer for a contract a [Regular Dealer Status requests](#) must be made, in writing, and received no later than five (5) calendar days prior to bid opening for each Federal aid and/or Condition of Award project you wish to participate on as a Regular Dealer.
