

WSDOT Contacts for SEPA Documents

Find your city or county name to identify the WSDOT contact to review your State Environmental Policy Act (SEPA) documents. If your SEPA document might affect the aviation or ferry systems, please copy the [WSDOT modal contact](#) found at the end of this list, in addition to the WSDOT region contact. Counties may have contacts in more than one WSDOT Region. For those counties, there is contact information for both.

For changes to this document, please contact Teri Chang at: changt@wsdot.wa.gov or 360.705.7918. Thank you.
