

WSDOT Stand-alone Fish Passage Projects planned for Design and/or Construction 19-21 within the Culvert Case Area

This plan is subject to change due to significant project issues and/or new information. This list does not include fish passage projects outside of the case area or projects within larger transportation projects; we're currently compiling information on those other projects and will share that information when available. If you have questions about this document, and/or prior to making plans based on this document, please contact:

Kim Mueller

Fish Passage Delivery Program Manager

360-705-7404
