Scoring Criteria 1: Qualifications/Expertise of Pilots/Sensor Operators/Technical Staff
Min pts 0 : Max pts 20

A. Include the following items:
   • Flight crew (each individual) total flight time and flight time within the last 12 month period
   • Total flight time operating aerial LiDAR Sensors
   • Total flight time operating the current aerial LiDAR Sensor(s)
   • Provide a list of technical and professional staff to process and classify the LiDAR point data, include years of experience and certifications or licenses.
   • Provide organization chart of your proposed team and include the respective roles that each will provide for the team.

B. Include the following items:
   Provide a list of up to three (3) projects that your firm has completed within the last three (3) years. The project(s) must demonstrate the required expertise needed for this project. Include the work/services provided on the project(s) and the approximate amount received for each project.

Scoring Criteria 2: Proposed Aircraft, Camera, Navigation, and GPS Systems
Min pts 0 : Max pts 20

The number of proposed Project Managers is limited to a maximum of three (3.)

A. Include the following items:
   Describe the aircraft proposed for aerial photography, include total time on aircraft and engine(s), TBO remaining, service ceiling, avionics package, and engine exhaust routing (if single engine.)

B. Include the following items:
   • Describe the proposed LiDAR sensor(s), including manufacturer, year of manufacture, scan angle, frequency, and ranging accuracy; and
   • Discuss the proposed delivery method and data backup protocol.

C. Include the following items:
   • Describe the proposed navigation system or photo-flight management system used to provide precise guidance and georeferencing. Include the consistently achievable alignment accuracy; and
   • Provide documentation of sensor-to-GPS antenna phase center relationship (offsets.)

Scoring Criteria 3: Aircraft and Crew Location
Min pts 0 : Max pts 20

A. Include the following items:
   • Identify the airport where the aircraft is hangered; and
   • Identify the city closest to the home of the aircrew.
Scoring Criteria 4: Qualifications of Proposed Project Manager(s)
Min pts 0: Max pts 20

The number of proposed Project Managers is limited to a maximum of three (3.)

A. **Include the following items:**
   Provide up to three (3) examples for each proposed Project Manager that demonstrates his/her prior experience as a Project Manager on WSDOT or similar projects. Include the date(s) of each project; the name of the client/organization for each project; list the project manager’s responsibilities and tasks on each project.

B. **Include the following items:**
   Demonstrate each Project Manager(s) familiarity with relevant state and federal regulations and/or procedures.

C. **Include the following items:**
   Provide up to three (3) examples of each proposed Project Manager’s ability to manage all of the following within a project:
   - Project schedule;
   - Scope of work/scope creep;
   - Budget issues; and
   - Changes that arise throughout the life of the project.

D. **Include the following items:**
   Provide listing of professional licenses/accreditations for each proposed Project Manager; include the year that each license/accreditation was received. Please include the licenses that were obtained in the State of Washington only.

Scoring Criteria 5: References/Past Performances (Prime Consultant Only)
Min pts 0 : Max pts 0

A. **Include the following items:**
   Provide a minimum of three (3) with a maximum of five (5) performance evaluations for either WSDOT projects, Non-WSDOT projects, or a combination of both that are either currently active projects or that has a project completion date within the last three (3) years. These must be included in your Packet B.

**Performance Evaluations on WSDOT projects:**
If you wish to have a Performance Evaluation completed on a WSDOT project, please contact the WSDOT project manager and have them complete WSDOT’s internal Filemaker Pro form 272-019 “Performance Evaluations – Consultant Services.”

**Performance Evaluations for Non-WSDOT projects:**
If your firm does not have performance evaluations with WSDOT, it is necessary to have an evaluation of past performance completed by a client. You are required to use the WSDOT provided form and have it completed by your client. We will not accept your client version of a
performance evaluation form. The WSDOT version of the evaluation form may be obtained by clicking on the link “Performance Evaluation Completed by Reference” which can be found on the main web page for this advertisement.
