A- They must be completed.

Question- In criteria 1, part A, the RFQ asks for a listing of all firms on your proposed team. Will a surveying firm on this project be precluded from participation on a future design-build team for the project?

A- It is the responsibility of firms to interpret and adhere to WSDOT Organizational Conflict of Interest policy. WSDOT cannot make a determination of OCOI without specific details regarding the firm in questions in reference to the OCOI policy.
B- Yes, WDFW site ID 15.0201 0.90 is located on State Route 166. The listing in the RFQ is an error.
