

Scholarship Application for Highway Construction and Maritime Trades

About Our Program:

Washington State Department of Transportation's On-the-Job Training Support Services Program (OJT/SS) and Pre-Apprenticeship Support Services Program (PASS) provide pre-apprenticeship training, preparatory, and apprenticeship scholarship opportunities to support the participation of women, minorities, and other disadvantaged individuals in the highway construction and maritime workforce.

To Qualify:

1. Fully complete this application. If any fields are left blank, the application will not be accepted.
2. Be a Washington State resident.
3. Be a woman, minority, or other disadvantaged individual.
4. Provide proof of enrollment of your selected highway construction or maritime trade school.
5. Submit your application along with your proof of enrollment to WSDOT by email at OJTSSinfo@wsdot.wa.gov. If you'd prefer to complete this application by hand and mail it in, please send an email to the above listed email address, letting us know of your intent to mail. Then, mail the application and documents to:

Office of Equity and Civil Rights
PO BOX 47314
Olympia, WA 98504-7314

What to Expect:

1. Once we receive and review your application, we will respond, letting you know we are in the process of reviewing your information.
2. After a decision has been made, we will send a follow up email, informing you of the award or denial.
3. Please follow up with the trade school and let them know if you were awarded a scholarship.
4. We will then need to receive an invoice from the trade school and will issue payment as soon as possible. Payments are issued in about 30 days.

Due to the popularity of this program and the limited nature of program funding, we will award priority to first-time applicants. We request that all who have recently received scholarship awards limit their second or third requests to quarterly or 90-days between requests.

EssayQuestion#1 (for first time applicants only - second application, see next page)

Please describe your interest in either: the highway construction trades, or the maritime trades, and how you hope to use your education and training to work in highway construction trades or maritime trades related work. Please explain why you are suited for work in the state of Washington in your identified trade, either working with a union, construction company, or for WSDOT/Washington State Ferries directly.

Essay Question #2 (for second & third time applicants only)

How has your education or training for work in the highway construction trades or maritime trades been going? What has been the most meaningful part of your education or training thus far? What has been the biggest obstacle you've overcome? What are you most proud of accomplishing so far? What steps will you take for securing work in the state of Washington in highway construction trades or maritime trades? Do you have any concerns or known barriers you might face once you're ready to go to work? Please include an update on where you are in your educational/training journey.
