REGION 10
(covering Alaska, Idaho, Oregon, and Washington)

ENVIRONMENTAL DETERMINATION RE-EVALUATION CONSULTATION WORKSHEET

EXAMPLE

PURPOSE. The purpose of this worksheet is to assist transit agencies in the states of **Alaska, Idaho, Oregon, and Washington** in gathering and organizing materials for Re-evaluations required under the National Environmental Policy Act (NEPA) (See 23 Code of Federal Regulations (CFR) Part 771.129(c)). It is designed for sponsoring transit agencies to provide FTA with information needed to conduct a Re-evaluation of a previous environmental review determination. In lieu of this worksheet, the sponsoring agency may submit the same information in a different format. Please note, submission of this worksheet to FTA by itself does not meet NEPA requirements. FTA must concur in writing with the sponsoring agency's NEPA recommendation on whether additional environmental review is required.

QUESTIONS? Please contact the FTA Region 10 office at (206) 220-7954 if you have any questions or require assistance regarding this worksheet. **We strongly encourage you to contact us to discuss your project changes before you fill out this worksheet.** For further NEPA topical guidance, please go to FTA's website for "Environmental Programs", https://www.transit.dot.gov/regulations-and-guidance/environmental-programs/environmental-programs.

HOW TO SUBMIT THIS WORKSHEET? For submittal procedures, please see information provided at the end of this document.

DISCLAIMER: *The contents of this document do not have the force and effect of law and are not meant to bind the public in any way. This document is intended only to provide clarity to the public regarding existing requirements under the law or agency policies. Grantees should refer to applicable regulations and statutes referenced in this document.*
